The defendants here and other defendants who names
that was refused to me violated my rights by coming
into work 1 to 2 hours late sometime's not coming in
at all stopping me from getting my proper day room hours
this will happen everyday I would be lucky
to get 3 to 4 hours on the weekend. Almost
every weekend we will be in our room all day.
My whole time in Milwaukee county Jail everyday with no outside
the windows at the Jail had a covering that kept sunlight
out. Almost everyday I would receive Mass punishment
for someone else wrong doing. I would locked in my

my cell with no dayroom no phone to talk to my family
no nothing because someone else was doing. I was
locked in my cell for a minor for twenty-four hours
for telling a staff to stop talking to me. I did not
say it rude or disrespectful I just told him stop
talking to me how he was talking to me. It's not what you
say even though there is no other way to say shut up more
wrongly the shot the F up and get to class. I turned
and said what? and I ask again what did you just say
to me? He ask me do I want a lock-in. I said you
gone lock me in cause you cursed at me I said
"Bro" stop talking to me and walked off into my class
before things got worst. I left class at 2:30 pm
got to my cell and was told I had a lock-in I
was lock in my cell till 3:30pm on the 27th with
no shower that's more than twenty-four hours locked
in my cell with no shower. I asked who was
responsible the jail staff refused to provide me any
names of who was responsible. Also when staff come in
late with they personal problems and other people yelling they make us wait longer
to come out.

Do to me not being able to get out to do my physical therapy or get out to stretch my leg my Hip has been detaching. I've had a hip replacement that was not cared for do to me not being out to do so.
